

## 2017 Virginia Mineral Mine Safety Awards Company Award Winners

The Virginia Department of Mines, Minerals and Energy – Division of Mineral Mining (DMM) and the Virginia Transportation Construction Alliance (VTCA) are pleased to announce that the following eight Virginia mineral mine operations received Virginia Mineral Mine Safety Awards in 2017 for outstanding mine safety achievements at their mine sites for calendar year 2016. Phil Skorupa, DMM's director, and Sam Hollins, VTCA Aggregates Manager, presented the awards to the mine companies at the VTCA's annual meeting at The Homestead on July 16, 2017. These eight mine sites worked a combined total of 368,790 without a lost time injury in 2016. Individual safety awards are listed on the next page. Congratulations to these operations and miners for their commitment to safety.
